

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Nicole Zimmerman,

Plaintiff

v.

The Church of Jesus Christ of Latter-day
Saints, et al.,

Defendants

Case No. 2:25-cv-00206-CDS-MDC

**Order Directing Plaintiff's Counsel to
Clarify Certificates of Good Standing**

I defer ruling on Kimberly DeGonia, David Kao, Anne Andrews, Ryan McIntosh, and Brittany Emsais's verified petitions to practice pro hac vice. ECF Nos. 23, 24, 25, 26, 27. Each application contains a purported certificate of good standing from the State Bar of California. However, the court is familiar with certificates from California, which always contain the State Bar of California's watermark seal. None of the pending applications contain the watermark seal. *Compare* ECF No. 23 at 6, with Ex. 1. Accordingly, each counsel must file a declaration or affidavit, no later than August 6, 2025, explaining why their certificate is missing the watermark.
